FYI see below. State resolutions to support an "appeal" of EPA's decision not to remove our objection.

Do you think we need a "Hot Topic" paragraph for this issue?

Thank you Nuria,

We were aware that the Road Commission and Townships had passed resolution to pursue a

lawsuit against EPA, but this is the first I've heard of the State Resolutions.

Thank you for forwarding this on.

Here is a link to the resolution in case you are interested:

Krista and Melanie:

As a follow up to my phone conversation with Krista 2 weeks ago: I just got this e-mail this morning.

It seems there is a formal resolution by the Marquette County Road Commission to appeal of U.S. Environmental Protection Agency's objection to the planned construction of County Road 595. (

The road that would link the Eagle Mine with Humboldt Mill)

Joe Derocha is the former Town Supervisor for Humboldt Township and I believe he is now an elected county official.
